WHO WE ARE . . .

A different perspective

Lotus was founded in 2009 by a group of ceramic industry entrepreneurs sharing a common goal: to create ceramic products capable of evoking emotions. Years later, Lotus has evolved and expanded its vision, becoming the Lotus Group, a business group that is currently committed to staying at the forefront of creativity and technology.

POLISH
COLLECTION

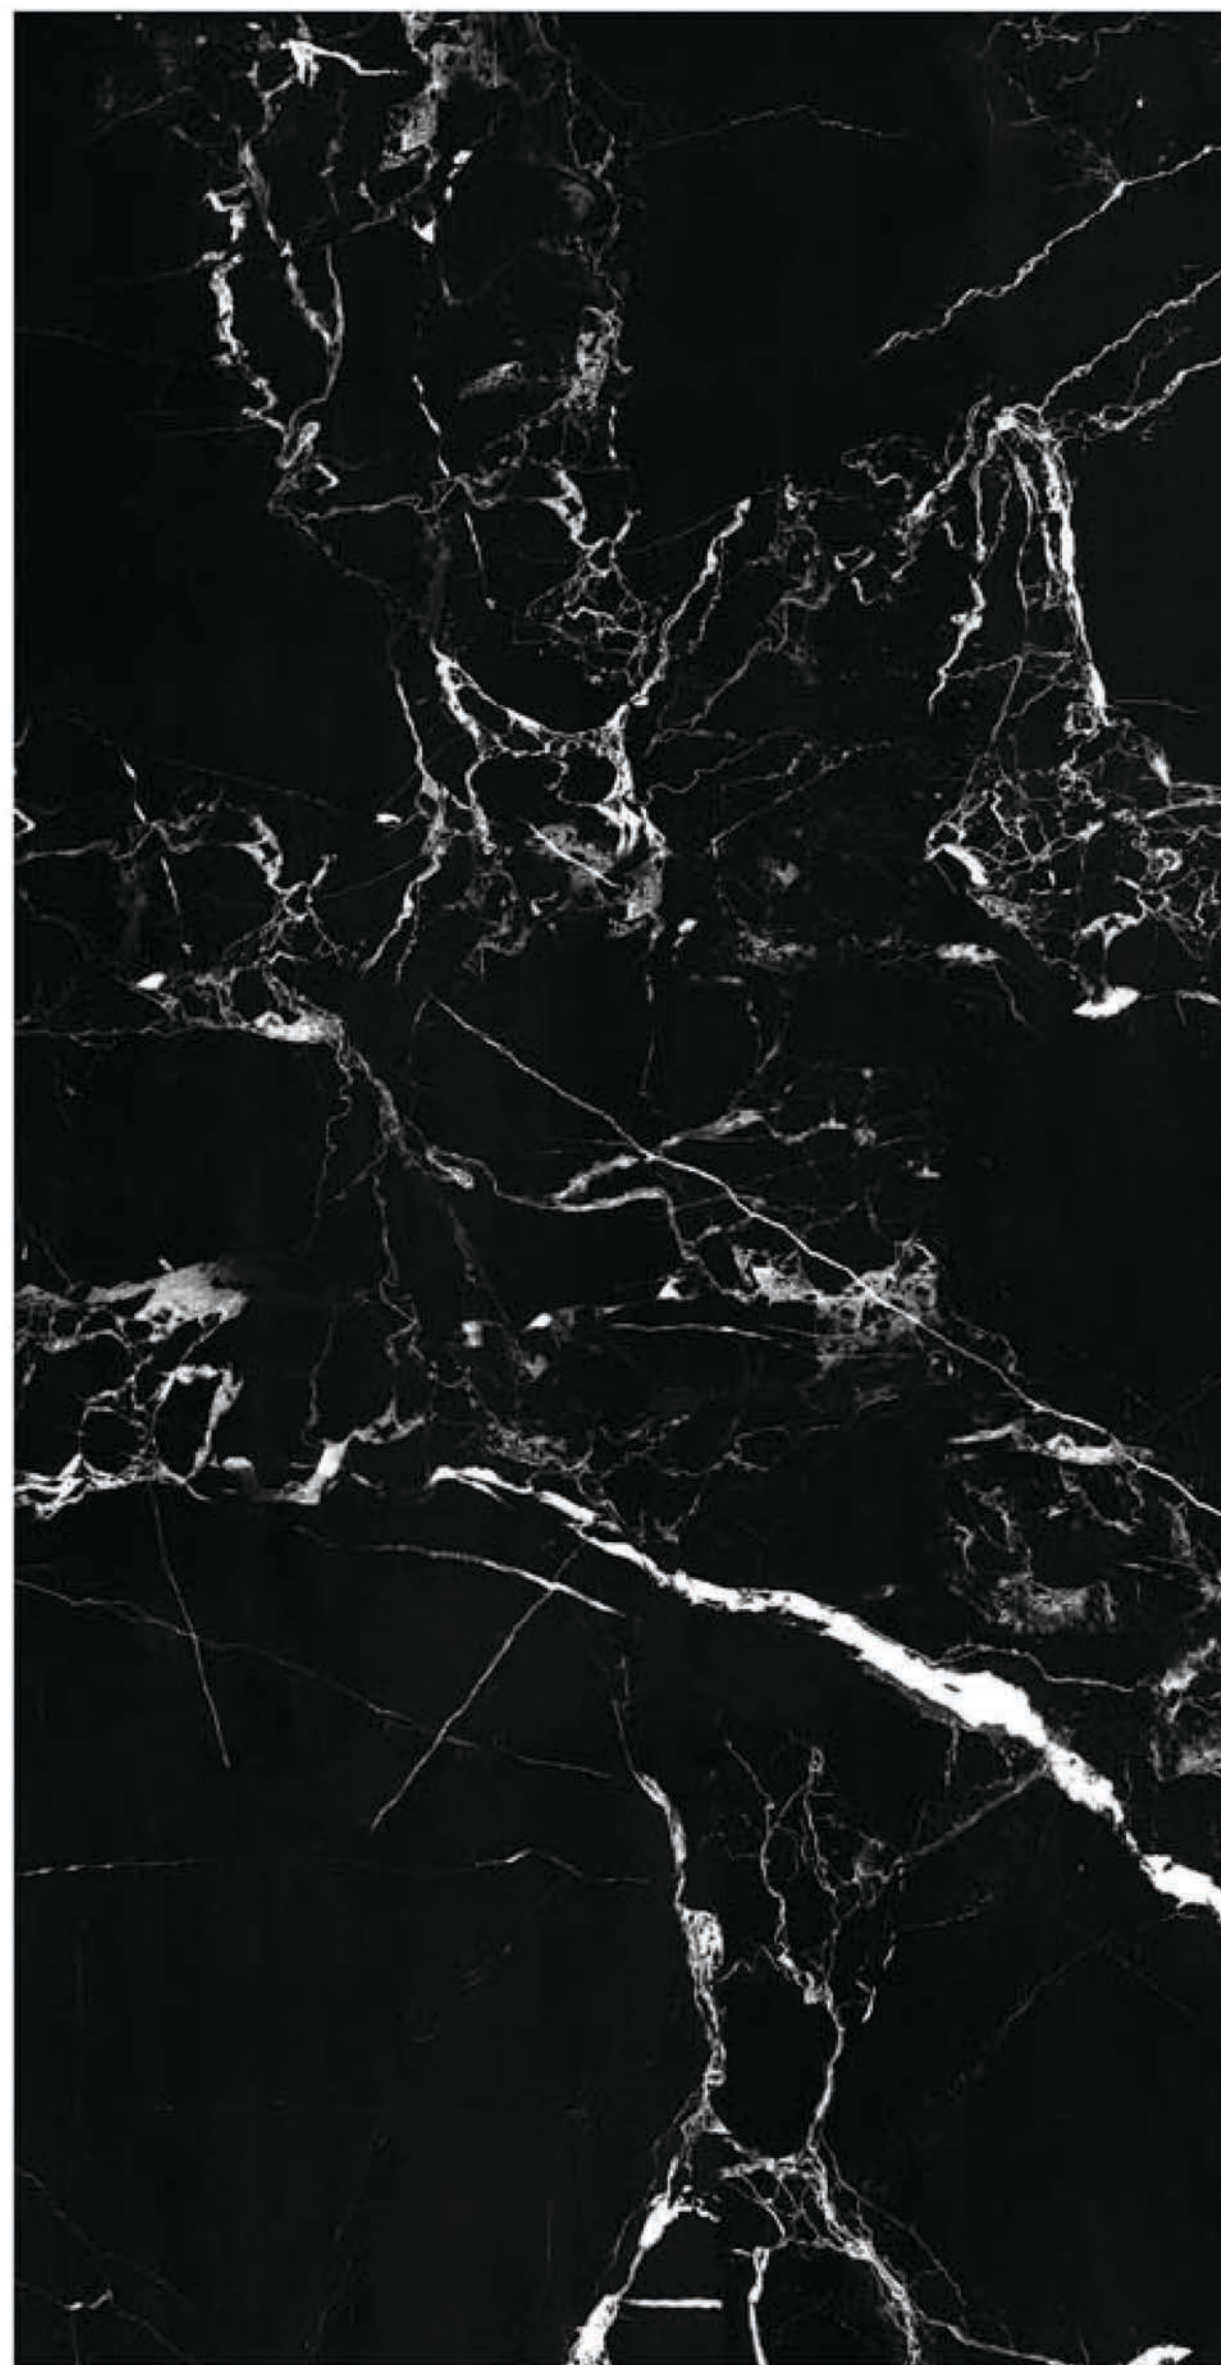

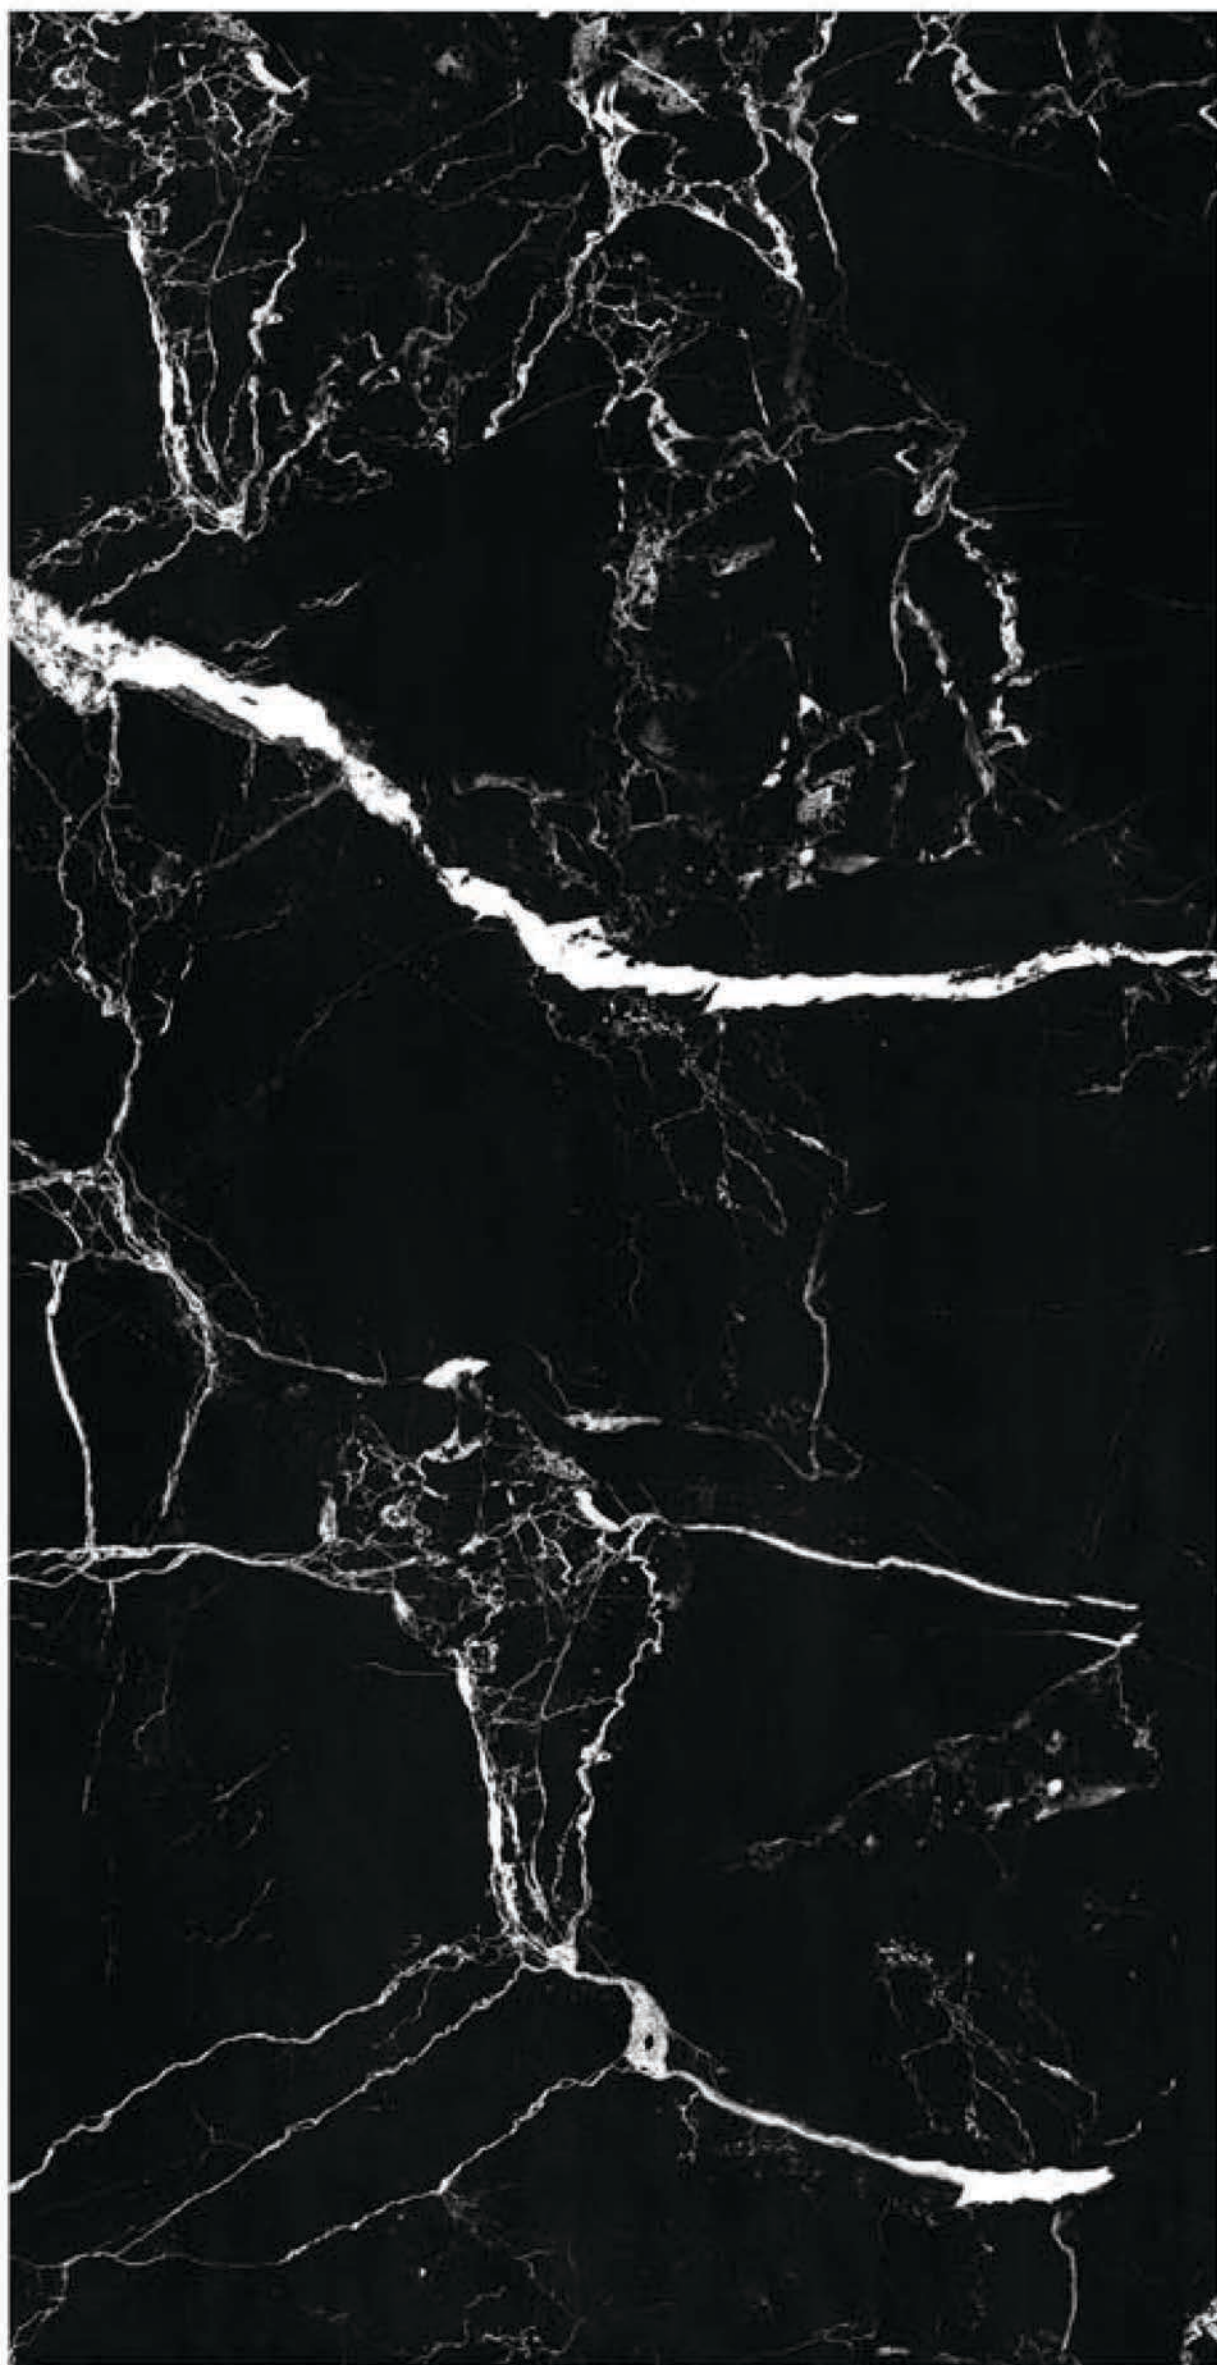

The image features a high-contrast, black and white marbled pattern. The background is a deep, dark black, with intricate, vein-like structures in shades of white and light gray. These veins are irregular and organic, resembling natural stone or perhaps a microscopic view of a material. The overall effect is one of mystery and depth. Centered in the middle of the image is the text "MIDNIGHT BLACK" in a clean, white, sans-serif font. The word "MIDNIGHT" is on the top line, and "BLACK" is on the line below it. The text is perfectly legible against the dark background.
