A different perspective

Lotus was founded in 2009 by a group of ceramic industry entrepreneurs sharing a common goal: to create ceramic products capable of evoking emotions. Years later, Lotus has evolved and expanded its vision, becoming the Lotus Group, a business group that is currently committed to staying at the forefront of creativity and technology.

POLISH
COLLECTION

The image features a vertical rectangular background with a complex, organic marbled pattern. The colors range from light beige and cream to dark charcoal and black, creating a sense of depth and texture. The pattern consists of irregular, vein-like shapes and blotches that flow across the frame. Centered over this background is the text 'ICEBERG' in a large, bold, black, serif font. Below it, the word 'WHITE' is written in a smaller, all-caps, black, sans-serif font.
