WHO WE ARE . . .

A different perspective

Lotus was founded in 2009 by a group of ceramic industry entrepreneurs sharing a common goal: to create ceramic products capable of evoking emotions. Years later, Lotus has evolved and expanded its vision, becoming the Lotus Group, a business group that is currently committed to staying at the forefront of creativity and technology.

POLISH
COLLECTION

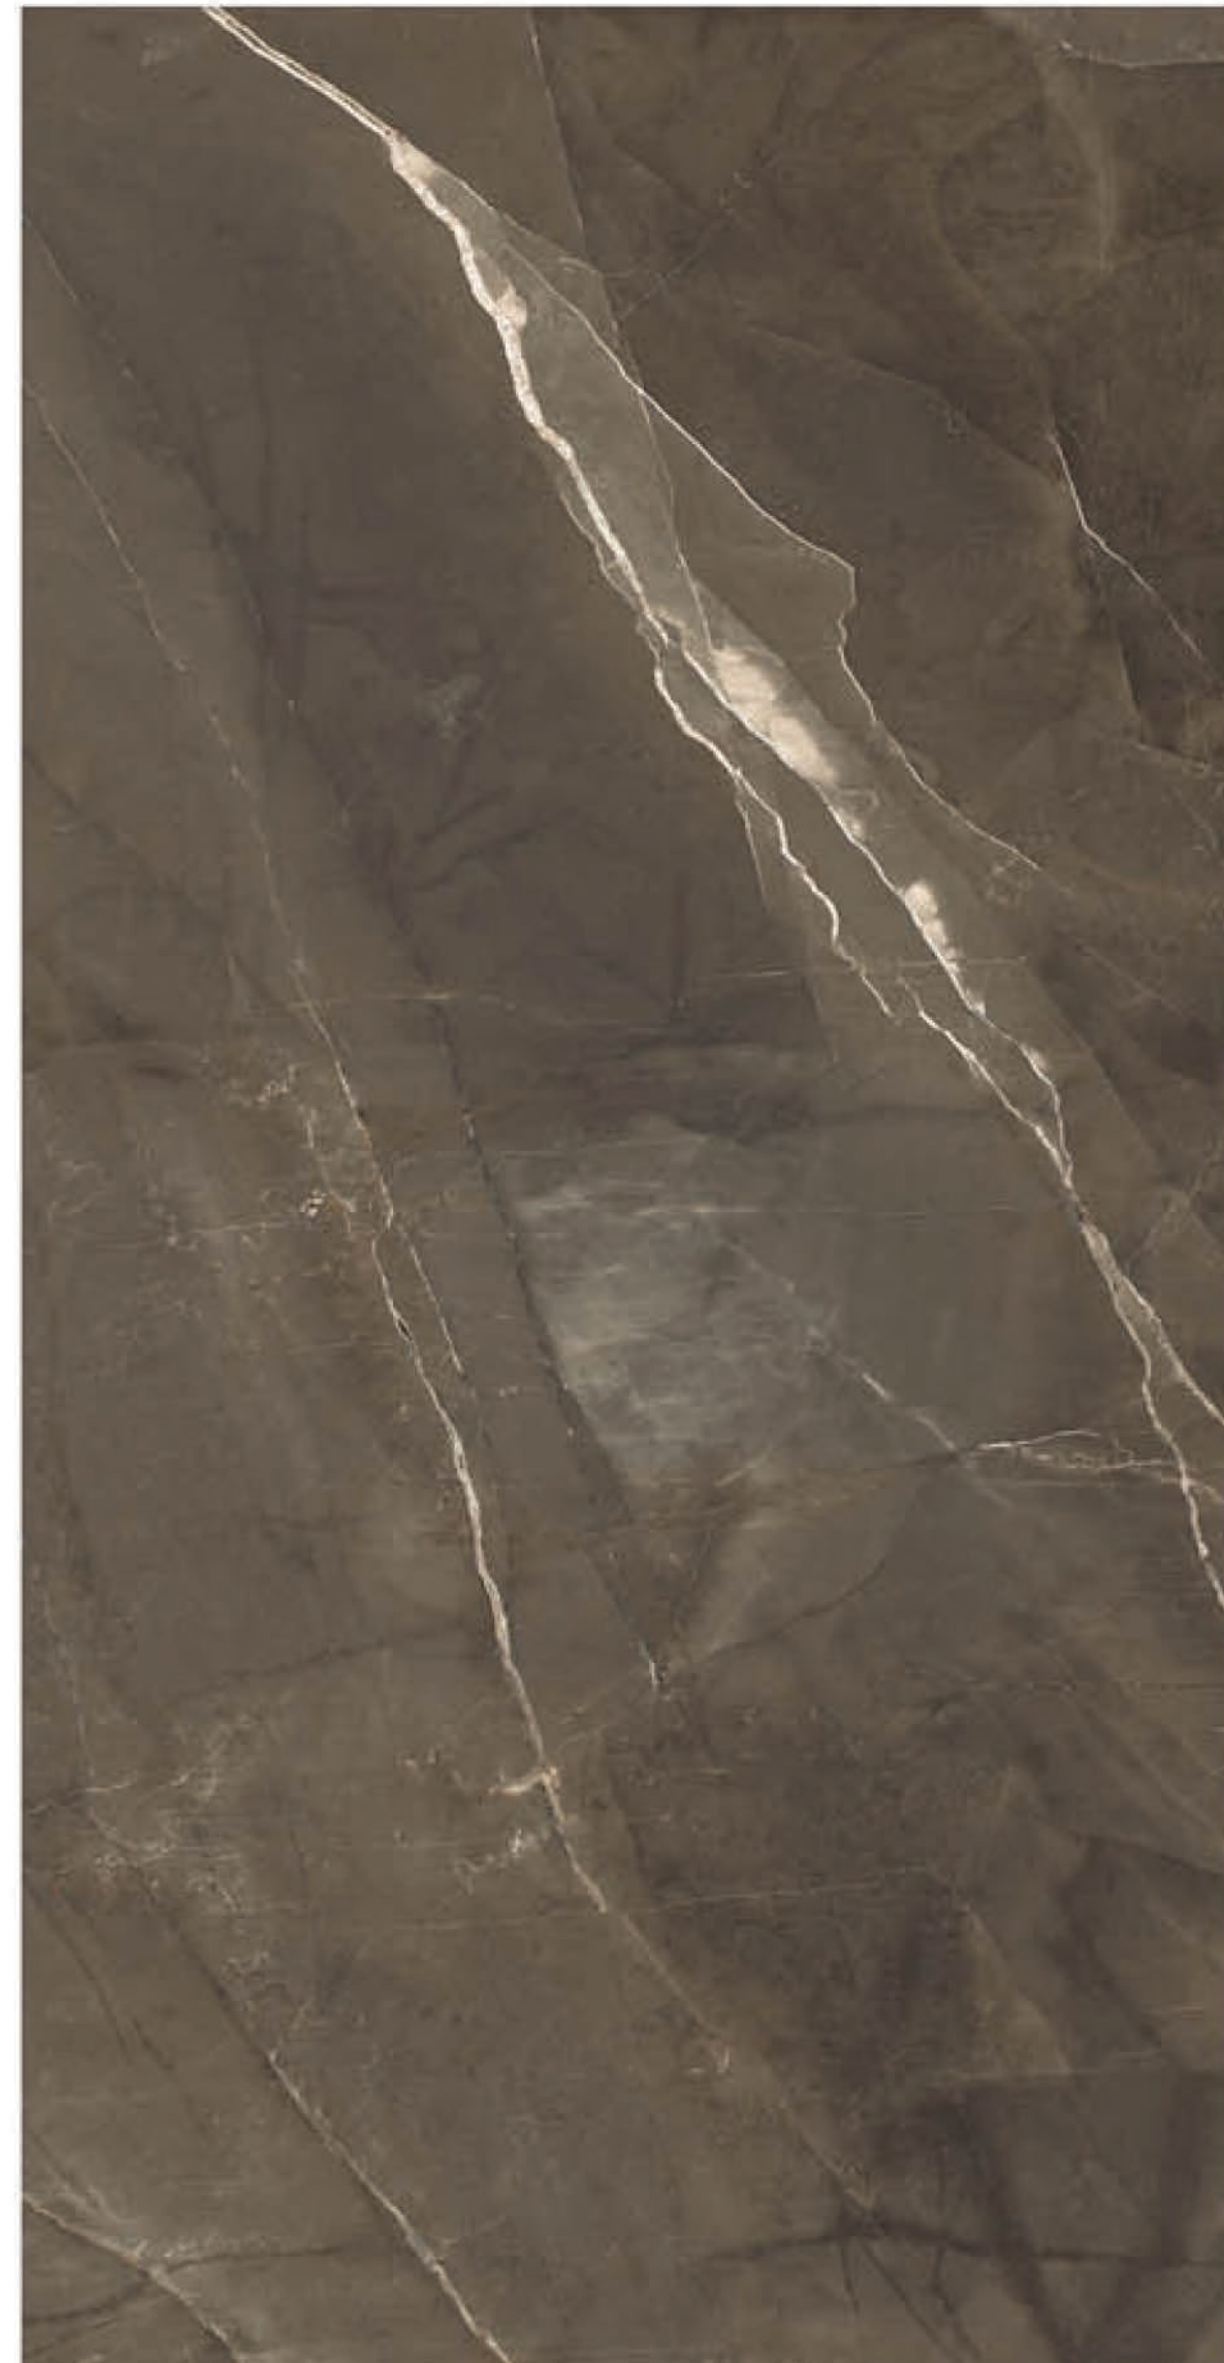

The image features a dark brown, marbled background with a prominent, irregular diagonal crack running from the top left towards the bottom right. The crack is filled with a lighter, more textured material, possibly representing a fissure in lava rock. The overall texture is complex and organic, with various shades of brown and subtle patterns.
