WHO WE ARE . . .

A different perspective

Lotus was founded in 2009 by a group of ceramic industry entrepreneurs sharing a common goal: to create ceramic products capable of evoking emotions. Years later, Lotus has evolved and expanded its vision, becoming the Lotus Group, a business group that is currently committed to staying at the forefront of creativity and technology.

A space for new ideas.

Lotus Group is currently an open door for experimentation. Our brain power is young but expert. While staying true to our past, we build on our experience, reinventing ourselves constantly with a strong international outlook.
